Entrepreneur"**

**July 3**  
**12:00h**

**"Meet the  
Investor"**

**July 4**  
**11:00h**

**"Into the  
Clinical Path"**

Once again, we celebrate the **CRG Entrepreneurship Week**, a time to meet and discuss with innovators and the entrepreneurship community, who dream big and inspire others to bring their ideas to life while driving socio-economic growth and welfare.

Targeting students, researchers, alumni, mentors, start-ups, industry, investors and other innovation partners.
