CRG — Centre for Genomic Regulation

Training for scientists

PRESENTS

TIPS FOR JOB HUNTING BEYOND ACADEMIA

Apply now!

This two-session course is designed to help scientists transition from academia to industry by learning how to identify suitable job opportunities, tailor a CV for specific roles, and improve professional visibility—especially on LinkedIn. Through short presentations, practical exercises, and interactive activities, participants will learn how to showcase their skills in a way that resonates with industry recruiters.

Instructors: Elena Moreno Castillo

Dates: 3rd & 4th June 2025

Hour: 10:00-13:00h

Location: CRG Training Center

Maximum nº students: 15
